AMENDMENT

Sir:

The following proposed amendment and request for reconsideration is in response to the Final Office Action mailed 5/24/00 (Paper no. 5) in regard to the above-identified patent application. Please amend the application as follows:

IN THE CLAIMS:

Please amend the Claims as indicated below:

24. (Amended) A method [as in Claim 1] for transporting a substrate into and out of a substrate holding area on a substrate processing apparatus comprising the steps of:

providing the substrate on an end effector of a transport arm, the end effector being rotatably mounted to a wrist of the transport arm;
